For academic issues: courses, timetable, study program, etc, you can directly contact the International Faculty Advisor (list enclosed).

Be careful! If you have already complete an application form from your home university to study abroad you have also to complete our online form.

Important information for non European foreign students:

You must apply as soon as possible to the CEF on-line procedure:

<http://www.campusfrance.org/en/page/a-country-using-cef-procedure>

in order to obtain a student visa. It is compulsory (37 countries are concerned).

We highly recommend starting the procedure very early.

Helpful documentation - Grenoble Université student guide and info sheets are available at the address:

Insurance: except for European students, French public health insurance is compulsory for all students staying in France more than 3 months even they already have one. Therefore it is not useful to duplicate with a private contract. Students take the social security upon their arrival, when they register.

Housing: in the days following the submission of the application, you will receive automatically a login and password, in order to begin your housing application form with "Grenoble Université ISSO" (International student housing service). The application form will be available from October 1st.

The deadline to submit the housing form is: November 15th.

Student team for International students: a dynamic Grenoble INP students team named "Bureau International" is here to help students during their stay in Grenoble to give them all the advice and information they may need:
